

Multimedia Licenses & Permissions Guide for PIOs

Multimedia submitted to EurekAlert! must be cleared for redistribution and use by news organizations and third-party websites. Please refer to the types of multimedia sources listed below and verify that your multimedia submissions meet the necessary requirements.

Original Content

- Eligible to submit to EurekAlert!
- Produced by researchers, press offices, or staff; verify your institution has the rights to redistribute
- Content by contracted photographers and producers must be cleared for redistribution

Public Domain

- Eligible to submit to EurekAlert!
- Includes government-produced multimedia and non-copyrighted works
- Please credit the source agency or original artist

Creative Commons

- Eligible to submit to EurekAlert!
- Must include the Creative Commons license name
- Please provide credit information as required by the Creative Commons license

Stock Images - Royalty-Free

- Eligible to submit to EurekAlert!
- Must credit original artist and provide source name
- Please verify stock provider's usage policies about transferability

Stock Images - Purchased

- Ineligible to submit to EurekAlert!
- Stock image licenses are non-transferable
- Purchased stock images may only be licensed for use on your institution's owned websites
